FACT | Finance & Accounting Services from Dextrasys

At Dextrasys, we assist you in a range of activities from financial booking keeping that helps in compliance with law to financial analytics that provides business insights.

■ Procure-to-pay

We provide a full spectrum of procure - to - pay services from PO Creation to Spend analytics.

Business Benefits: Better vendor management, shorter settlement cycles, greater contract compliance and identify opportunities to improve purchasing.

■ Order-to-cash

We can add value in Order-to-cash process from sales order processing to tracking accounts receivables.

Business Benefits: Improved service levels to your customers, shortened cycle times and reduced days sales outstanding.

■ Record-to-report

We can assist you in faster and more efficient closing and reporting. This enables management to focus on strategic issues. Our services include Fixed asset accounting to Contracts and projects costing.

Business Benefits: Access to real-time financial information, faster period close, reduction of un-reconciled exposures.

■ Treasury and cash management

We can effectively support you in treasury and cash management functions. We can assist business owners and CFOs in cash and working capital management.

Business Benefits: Accurate and real time cash position, forecasting and monitoring, maximization of interest income, greater controls and compliance.

We can work with ■ Quick books ■ SAP ■ Oracle Financials
■ Peachtree /e Peachtree ■ Microsoft Great Plains ■ MYOB
■ Sage Line 50 ■ NetLedger ■ Lacrete ■ Pro Series ■ Tax

How does it work?

It is as easy as 1-2-3 to outsource your work to DextrasyS.

1. You keep your accounting system in your premises.
2. You need to scan all accounting documents and store them as digital files.
3. We will access your computers in a safe/secure way, read the documents, process them according to your business rules and update your accounting records.
